

ENVIRONMENT POLICY

SCOPE

This policy applies to PPK Group Limited and its subsidiaries ("PPK").

INTRODUCTION

PPK is committed to minimising the consumption of resources at all of its facilities and in its manufacturing operations.

POLICY STATEMENT

In particular, PPK is committed to:

- Maximising the use of all resources and minimising waste, wherever possible.
- Ensuring that its head office facilities at Kirrawee meet appropriate environmental standards.
- Ensuring adherence to all federal, state and local environmental agency regulations and codes of practice.
- Initiating and reviewing environmental objectives and measurable targets to all appropriate activities.
- Continuous improvement in its environmental performance.
- Promoting staff awareness of environmental issues and providing the training of resources that will enable them to actively contribute to fulfilling our environmental objectives and obligations.
- Assisting, where possible, government agencies and community groups engaged in environmental activities.
- Communicating this policy to all interested parties including staff, customers, vendors, suppliers and the general community.
- Responding to the enquiries from interested parties relating to this environmental policy.
