## Appendix 2A

### Application for quotation of +securities

Information or documents not available now must be given to ASX as soon as available. Information and documents given to ASX become ASX's property and may be made public.

Further information on the requirement for the notification of an ISIN is available from the Create Online Forms page. ASX is unable to create the new ISIN for non-Australian issuers.

\*Denotes minimum information required for first lodgement of this form, with exceptions provided in specific notes for certain questions. The balance of the information, where applicable, must be provided as soon as reasonably practicable by the entity.

The Company will then forward all questions to the Auditor. The Auditor will answer written questions submitted prior to the Meeting. The Auditor will also answer questions at the meeting from Shareholders relevant to:

He founded Wadam Industries, a subsidiary of ASX Listed Industrea Ltd, and served as its Managing Director from 1993. He was then appointed as Deputy Chief Executive Officer of Industrea in 2009. #### **Directors' recommendation**

The Board unanimously (with Dale McNamara abstaining) recommends that Shareholders vote in favour of the re-election of Mr. McNamara as a Director under resolution 2.

## RESOLUTION 3 - Approval of Additional 10% Placement Capacity

### Background

Listing Rule 7.1A enables eligible entities to issue Shares up to 10% of its issued share capital over a 12 month period after the Annual General Meeting at which a resolution for the purposes of Listing Rule 7.1A is passed by special resolution (Additional 10% Placement Capacity). The Additional 10% Placement Capacity is in addition to the Company's 15% placement capacity under Listing Rule 7.1.

An entity will be eligible to seek approval under Listing Rule 7.1A if:

- (a) the entity has a market capitalisation of \$300 million or less; and
- (b) the entity that is not included in the S&P ASX 300 Index.

As at the date of this Notice the Company is an eligible entity for the purposes of Listing Rule 7.1A.

The number of Shares to be issued under the Additional 10% Placement Capacity will be determined in accordance with the formula set out in Listing Rule 7.1A.2.

Resolution 3 seeks Shareholders' approval to issue additional Shares under the Additional 10% Placement Capacity. The approval of the Additional 10% Placement Capacity provides greater flexibility for the Board to issue shares in the 12-month period following the AGM.

### Listing Rule 7.1A

The effect of Resolution 3 will be to permit the Company to issue the Shares under Listing Rule 7.1A during the Additional Placement Period (as defined below) without using the Company's 15% placement capacity under Listing Rule 7.1.

Shares issued under the Additional 10% Placement Capacity must be in the same class as an existing quoted class of Shares of the Company. As at the date of this Notice the Company's Shares are quoted.

At the date of this Notice, the Company had 61,996,498 shares on issue (A in the formula below) and therefore, subject to Shareholder approval being obtained under Resolution 3, based on current circumstances 6,199,650 Shares will be permitted to be issued in accordance with Listing Rule 7.1A. The number of Shares that may be issued is calculated in accordance with the following formula:

$$(A \times D) - E$$

- A** is the number of Shares on issue 12 months before the date of issue or agreement:
- (a) plus the number of fully paid Shares issued in the 12 months under an exception in Listing Rule 7.2;
  - (b) plus the number of partly paid Shares that became fully paid in the 12 months;
  - (c) plus the number of fully paid Shares issued in the 12 months with approval of holders of Shares under Listing Rules 7.1 and 7.4. This does not include an issue of fully paid Shares under the entity's 15% placement capacity without Shareholder approval;
  - (d) less the number of fully paid Shares cancelled in the 12 months.

Note that 'A' has the same meaning in Listing Rule 7.1 when calculating an entity's 15% placement capacity.

**D** is 10%

**E** is the number of Shares issued or agreed to be issued under Listing Rule 7.1A.2 in the 12 months before the date of the issue or agreement to issue, that are not issued with the approval of Shareholders under Listing Rules 7.1 or 7.4.

Shareholders should note that the calculation of the number of Shares permitted to be issued under the Additional 10% Placement Capacity is a moving calculation and will be based on the formula set out in Listing Rule 7.1A.2 at the time of issue of the Shares.

Shareholders will be kept fully informed of any issue of Shares under the 10% Placement Capacity as the Company will disclose to the market at the time of issue the specific information required by Listing Rule 3.10.5A (such as details of dilution of existing Shareholders) in addition to information required by Listing Rule 7.1A.4, Appendix 3B and any other applicable listing rules. The table below demonstrates various examples as to the number of Shares that may be issued under the Additional 10% Placement Capacity.

Resolution 3 is a special resolution, requiring approval of 75% of the votes cast by Shareholders present and eligible to vote (in person, by proxy, by attorney or, in the case of a corporate Shareholder, by a corporate representative) in order to be passed.

### Specific information required by Listing Rule 7.3A

The following information in relation to the Shares proposed to be issued is provided to Shareholders for the purposes of Listing Rule 7.3A:

- (a) The Shares will be issued at an issue price of not less than 75% of the volume weighted average price for the Company's Shares over the 15 Trading Days on which trades in the class were recorded immediately before:
- (i) the date on which the price at which the Shares are to be issued is agreed; or
  - (ii) if the Shares are not issued within five Trading Days of the date in paragraph (i) above, the date on which the Shares are issued.
- (b) If Resolution 3 is approved by shareholders and the Company issues Shares under the Additional 10% Placement Capacity, shareholders who do not participate (either because they are not invited to participate or because they elect not to participate) in any such issue, will have their existing interest and voting power in the Company diluted. There is also a risk that:
- (i) the market price for the Company's Shares may be significantly lower on the date of the issue of the Shares than on the date of the AGM;
  - (ii) the Shares may be issued at a price that is at a discount to the market price for the Company's Shares on the issue date; or
  - (iii) the Shares may be issued for non-cash consideration,

which may have an effect on the amount of funds raised by the issue of Shares under the Additional 10% Placement Capacity.

- (c) The table below shows the dilution of existing Shareholders upon the issue of the maximum number of Shares under the Additional 10% Placement Capacity, using different variables for the number of ordinary securities for variable 'A' (as defined in Listing Rule 7.1A) and the market price of Shares. It is noted that variable 'A' is based on the number of ordinary securities the Company has on issue at the time of the proposed issue of Shares.

The table shows:

- (i) examples of where variable 'A' is at its current level, and where variable 'A' has increased by 50% and by 100%;
- (ii) examples of where the issue price of ordinary securities is the current market price as at close of trade on 3 October 2018, being \$0.31, (current market price), where the issue price is halved, and where it is doubled; and
- (iii) that the dilutionary effect will always be 10% if the maximum number of Shares that may be issued under the Additional 10% Placement Capacity are issued.

Variable 'A'	Number of Shares issued and funds raised under the Additional 10% Placement Capacity and dilution effect	Dilution

	Dilution	10%	10%	10%

Note: The table above assumes:

- (a) No Shares are issued before the date of issue of the Shares. If further Shares are issued and Shareholders do not participate in the issue, their ownership and voting power in the Company will be further diluted.
- (b) The issue of Shares under the Additional 10% Placement Capacity consists only of Shares.
- (d) The table does not show an example of dilution that may be caused to a particular Shareholder by reason of placements under the Additional 10% Placement Capacity, based on that Shareholder's holding at the date of the AGM.

The table shows only the effect of issues of Shares under Listing Rule 7.1A, not under the 15% placement capacity under Listing Rule 7.1.

Approval of the Additional 10% Placement Capacity will be valid during the period (Additional Placement Period) from the date of the AGM and will expire on the earlier of:

- (i) the date that is 12 months after the date of the AGM; and
- (ii) the date of the approval by Shareholders of a transaction under Listing Rules 11.1.2 (a significant change to the nature or scale of activities) or 11.2 (disposal of main undertaking).

The Company may seek to issue the Shares for the following purposes:

- (i) If Shares are issued for cash consideration: for ongoing development and manufacture of the Company's products, a potential business or product acquisition, new product development costs, administration costs and general working capital;
- (ii) If Shares are issued for non-cash consideration: for a potential business or product acquisition or in lieu of cash payments for services, equipment or product. If Shares are issued for non-cash consideration, the Company will comply with the minimum issue price limitation under Listing Rule 7.1A.3 in relation to such issue and will provide a valuation of the non-cash consideration to the market.

The Company will comply with the disclosure obligations under Listing Rules 7.1A.3 and 3.10.5A upon issue of any Shares.

The identity of the persons to whom Shares will be issued is not yet known and will be determined on a case by case basis having regard to market conditions at the time of the proposed issue of Shares, including consideration of matters including, but not limited to:

- (i) the ability of the Company to raise funds at the time of the proposed issue of Shares and whether the raising of any funds under such placement could be carried out by means of an entitlements offer, or a placement and an entitlements offer;
- (ii) the dilutionary effect of the proposed issue of the Shares on existing shareholders at the time of proposed issued of Shares;
- (iii) the financial situation of the Company; and
- (iv) advice from its professional advisers, including corporate, financial and broking advisers (if applicable).

The persons to whom Shares will be issued under the Additional 10% Placement Capacity have not been determined as at the date of this Notice, but will not include related parties (or their associates) of the Company.

The Company has not previously obtained approval under Listing Rule 7.1A or previously issued Shares pursuant to Listing Rule 7.1A.

A voting exclusion statement is included in the Notice of Meeting. The Company has not approached, and has not yet determined to approach, any particular existing security holders or an identifiable class of existing security holders to participate in an offer under the Additional 10% Placement Capacity, therefore no existing security holders' votes would be excluded under the voting exclusion statement included in this Notice.

Section 211 of the Corporations Act provides that one of the exceptions to the requirement to obtain shareholder approval for giving a financial benefit to a related party is where the benefit is given to the related party as an officer of the Company and to give the remuneration would be reasonable given:

- (a) the circumstances of the Company; and
- (b) the related party's circumstances (including the responsibilities involved in the office or employment).

The Company considers the proposed issue of Performance Rights to Mr. McNamara is reasonable remuneration and, as such, fall with the exception set out in Section 211 of the Corporations Act.

In reaching this view, the Board has considered the responsibilities of Mr. McNamara as Executive Director, the Company's reliance on a limited number of personnel who have a direct impact on the Company's ability to achieve revenue, the need for the Company to effectively incentivise its Executive Directors while aligning the incentive with increasing shareholder value and the desirability of preserving the cash resources of the Company.
